The athletic logo enables readers to identify communications involving Schreiner's Athletic Department.

Guidelines

1. Digital or camera-ready artwork only.
2. Always use the entire logo, without altering it in any way. The logo must always be in the exact proportions to the logos shown here.
3. Do not reduce the logo beyond legibility.
4. An area of empty space should surround the logo. The empty space, shown here by the dotted lines, should be proportional to the size of the logo.
5. Do not print at an angle.
6. Colors must be the official PMS colors or black only.
