

VOCATIONAL NURSING APPLICATION PROCEDURES

Schreiner University offers two Vocational Nursing Programs each year. Classes have tentatively been scheduled to start in January and May. We can only have 30 students per class, so it is important to complete your file as soon as possible.

To apply for admission to the Schreiner University Vocational Nursing Program, the following documents must be submitted to the Office of Admission:

1. A completed Application for Admission into the Vocational Nursing Program and \$25 non-refundable application fee.
2. A written essay which must include the following: explanation of desire to be a nurse; the steps that have been taken to make sure the one-year commitment to the Vocational Nursing Program can be fulfilled; the academic record from high school and/or college; and where this education will lead over the next 10 years. Also include hobbies and volunteer work.
3. Official High School Transcript (with seal) or Official GED Scores (Average Standard Score of 50 or above is required).
4. Official College Transcripts (with seal) from all colleges attended. Students who have at least 15 semester hours of transferable, college-level credit with a 2.0 transfer GPA, including college math and English, may be exempt from a required pretest. The Admission Committee makes the exemption decision.
5. Two Reference Forms completed by a current or former employer or person (**NOT A RELATIVE OR A FRIEND**) who can give a character and performance evaluation.
6. Required assessment of Math and English. If college math and English have not been taken, then SAT, ACT, THEA (formally TASP), or ACCUPLACER may be submitted. Or, the A.D.C entrance exam, which is administered on campus, may be taken instead. Before a student may take the A.D.C., however, his/her file must be complete with all the items above.
7. Drug testing is required during the application process.

Applicants will receive information on the background check and drug test once items 1-6 have been received. Results of the drug test must be received by the Director before your interview. All expenses are the responsibility of the applicants. The initial drug screening costs \$40; there is an additional cost for any positive findings.

Upon successful completion of the above items, the Office of Admission will schedule a personal interview with each applicant.

Please note, deadlines for the January and May Classes are as follows, September 15 of each year for the January class, and January 15 of each year for the May class.
