## Who They are...

Thanks to all of our readers who let us know about these “fun-loving guys.”

Chris Moralez '90, said he quickly recognized the guys in the picture.

They are, from left to right, Patrick Crane '90, Steve Cody '93 and Steven Mercer '94, all residents of Trull Residence Hall. They were, as Moralez put it, “having a blast” at one of Trull’s famous “Backyard Bashes.”

“We would have one at the beginning of the semester and one towards the end,” Moralez said. “It was a time for everyone to get together and bond. We should have had more but we couldn’t afford them,” he said, laughing.

Trull was the only dorm on campus at the time that was co-ed—well, partially anyway. “One wing had the women and one had the men,” Moralez said. “We were the only ones like that, so it made us kind of a novelty.”

Schreiner University Professor of Art John Pruessner said that Crane was in his photography class “way back when.”

“I think he had some pictures in the student paper,” Pruessner said. “I remember that hat.”
